

Application for Teacher Re-Accreditation

Please select all that apply for your teacher update:

SAT SAT B&T SAT CS SAT LWD SAT AA SAT CALD

Every three years a Swim Australia™ Teacher (SAT) or SAT specialist is required to update their accreditation through a “skills and knowledge audit”. Accreditation affirms your commitment to ongoing professional development, industry standards of practice and behavioural guidelines.

Requirements for teacher re-accreditation:

We encourage you to submit all requirements before the expiry date so that you maintain continuity of accreditation and remain insured if you hold a current policy. On approval of your re-accreditation application, you will receive an electronic copy of your updated certificate and an ASCTA membership card with a further three years added to your current expiry date.

All levels of Teaching require a minimum number of 100 practical teaching hours (accumulated over a three-year period) as well as professional development credit earned by attending or participating in activities from one or more of the elective categories listed on the next page.

Please list below evidence of professional development that has either improved your knowledge of swimming and water safety or improved your ability to teach. This could be by professional memberships, conferences, seminars or online training equivalent in total to 10 hours (**15 ASCTA PD points** – as outlined on the next page).
